

T-Shirt Design Competition

Summer Fete 2010

Pupils need to design and make a t-shirt, wear it to the summer fete and enter the competition.
The theme for the design is:

Summer

There will be a prize for the best Infant and Junior design.
The time of the actual competition at the fete will be advertised nearer to the event.

All the pupils in the school have been given the opportunity in class this week to design the layout for a t-shirt design based around the theme of 'Summer' and should have bought their designs home.

If your child wants to enter the competition you have two options:

1. Your child can develop their design through to final artwork at home, with some parental guidance or
2. Attend a PSA t-shirt making workshop— a great opportunity for the children to get creative—making it easy for the children and you!

T-shirt Workshops - £4.50/session

The workshops are going to be run by the PSA to help pupils produce their t-shirts. The workshops will be held in the Miss Alexander's Year 1 Classroom.

These sessions will run straight after school from 3.15pm-4.45pm. Pupils will need to gather outside the side entrance of the classroom in the Junior playground after school. Pupils will need to be collected from here too and need to take their t-shirts home with them to dry on the boards.

A prepared t-shirt will be provided ready for your child to get creative. Please indicate on the booking form what size is required.

They will have access to all types of different fabric paints, pens and art materials and be guided through the process. If they want to stick things on their t-shirts such as sequins, ribbon and such like, there will be various things available too, but if it is something specific, please ask them to bring them along to the session.

Pupils need to bring their design plans with them so it would be good if they take a bit of time to make sure they are happy with what they have done and perhaps guild them to images that will work on t-shirts. If they have images they want to copy—bring them along and If they plan to use stencils, block prints or potato cuts, please prepared them before hand to save on time. (see PSA website for ideas).

ACTION REQUIRED NOW! There are limited places at the workshops so places will be allocated on a first come first served bases.

We would really appreciate some offers of parental help at these sessions. Please indicate on the booking form if you are able to help at any of the sessions.

Confirmation of your booking/offer of help will be received via your child.
